with *Charles Szabla,* instructor

szabla@roadrunner.com

Where:

Peninsula Art Academy, 1600 West Mill Street, Peninsula, Ohio 44264. For classes, please park behind "Elements Gallery", directly across the street.

When:

This 6-week workshop will be held Tuesdays, from 6-8pm. Please register and pay for your classes one week in advance if possible, or call for availability.

Workshop Description:

Creative drawing is an expression of thoughts, feelings, and emotions on paper. No formal art experience is necessary. The only requirement is an enthusiasm for creative thought and an urge to express it as a drawing.

Use of a variety of media will be encouraged and no specific limitations will be demanded of participants. Just bring a drawing implement of your choosing and a material on which to render your artistic inspirations to begin your own creative journey.

The thought process before, during, and after a drawing is made is what makes a good work of art a great work of art. It's important to find that ethereal spark that ignites once pencil meets paper. You will be encouraged to think beyond process and tap a creative vein that can open up a whole new world of artistic expression.
