Workshop Description:

Experiment with mixed media to create artwork that makes a personal statement. Bring a couple of photos: then be prepared to embellish, collage, inscribe, paint and incorporate them into your final piece using a variety of 2D and 3D materials. All materials are provided. These Saturday workshops are a great way for teens to explore new techniques and mediums and to meet like-minded young artists -- all in the relaxed setting of the Cuyahoga Valley. Pre-registration is required.
